**Tamika Mapp**

**Robert J. Rodriguez**

East Harlem Preservation has invited ballot-certified candidates seeking to represent East Harlem and South Bronx residents in the 8th NYC Councilmanic District to debate housing issues such as permanent affordability, rezoning, homelessness, NYCHA, community land trusts, vacancy warehousing, tenant rights, and gentrification. We will also question candidates on civil rights issues such as shelter warrant sweeps, fair access to public space, illegal “gang” raids and property seizures, selective enforcement of “vagrancy” & “quality-of-life” ordinances, and harassment of immigrants and street vendors.

**Thursday, September 7 / 6:00pm to 8:30 pm**  
**Children's Aid Society, 130 East 101st Street**
